

THE ROCKSALT GROUP COVID-19 POLICY

REVIEWED MONTHLY

We're dedicated to protecting our team, guests and partners from the risks posed by COVID-19. In line with the easing of national restrictions, we are continuing to implement robust protocols that comply with the Government guidelines provided for the hospitality industry. Here is a summary of the measures currently in place:

- Thorough risk assessments have been updated for all of our venues and shared with all team members.
- Our team members will continue to take COVID-19 tests twice a week.
- Face coverings are voluntary and guests are advised to exercise their personal judgement.
- Our team members will continue to wear face coverings.
- Hand sanitisers will still be available on entry, exit and at key points in our venues.
- Our team will continue to carry out regular cleaning and sanitation of all high contact areas and touch points.
- Guests are encouraged to continue to respect the personal space of our team members and other guests.
- Glass protective screens will remain in all bar areas.
- Track and Trace information will be displayed on entry, should you wish to check in.
- Please do not visit if you are experiencing symptoms of COVID-19.
